Iron Man Mask: Instructions

1) Print out the template on regular paper or cardstock and cut out the pieces.

2) Cut out the eye holes on the front of the mask, and make folds along all dotted lines. Using glue or double-sided tape, secure each tab to its corresponding piece. Punch holes on the sides of the mask where indicated.

3) Secure tabs on the right side of the helmet to their corresponding pieces.

4) Secure tabs on the left side of the helmet to the right side of the helmet to make the piece symmetrical.

5) Align the top of the helmet with the shaded area on the face mask, and secure with glue or double-sided tape.

6) Tie a string to each hole in the mask, and tie at the back of your child’s head to secure Iron Man’s helmet.

7) Using double-sided tape or a pin, secure the chest piece to your child’s clothing.
