Frankenweenie character masks

1. Print the masks on regular paper or cardstock and cut them out.

2. Use a craft knife or scissors to cut along the dashed line around the nose and the two eye holes. Do not allow children to use the craft knife.

3. Punch holes on the sides of the mask where indicated and thread string or ribbon through the holes to hold the mask in place. Adjust the length of the string so the mask stays securely on your child’s head.
